

BUSINESSFirst

Redevelop an existing property or open a new business in an existing property with all the right tools!

How Does It Work

Visit www.businessfirst.eventbrite.com, to sign up for a 30-minute appointment with City of Rockford team members and our community partners. Meeting attendees include the City of Rockford Zoning and Permits departments, Four Rivers Sanitation Authority, Winnebago County Health Department, and The Small Business Development Center. In the meeting, you will walk through your project and our team will answer all of your questions to assist with starting or growing your business.

The Business First team meets at Rockford City Hall (425 E. State Street).

Business partners are also welcome to attend your meeting.
