City of Rockford, Loves Park Announce New Electric Aggregation Supplier

ROCKFORD, Ill. - After a thorough bid process, the City of Rockford and City of Loves Park has selected Nordic Energy Services, LLC as the new supplier for the contract term starting on the ComEd reading date in September 2017 for one year and ending in September 2018. The existing contracted rate of \$.06203 with Dynegy will continue until September of 2017.

Letters from both cities, via Nordic, will be distributed to residents this week and next to opt-out or opt-in the program.

Residents should expect all communication regarding the municipal electric aggregation program to come via mail on official city correspondence, not by phone or door-to-door. City officials advise residents to use caution when responding to door-to-door solicitors for energy services.

PROGRAM DETAILS

As an eligible participant, there are two supply options available – a traditional option in which the energy is supplied through traditional generation sources, and a 100% renewable option where 100% of the energy comes from renewable energy sources. All participants will be automatically enrolled in the traditional program unless participants call and request the 100% renewable or “green” energy option. Participants who do not want to participate in either program can choose to opt-out online at www.nordicoptout.com or by returning the opt-out letters before **July 5, 2017**.

-) The Traditional Power Program is **\$0.07114 per kWh** and is guaranteed until **September 2018**.
-) The Renewable Power Program is **\$0.07314 per kWh** and is guaranteed until **September 2018**. To select the Renewable Power program, please call Customer Service at 866-614-6952.
-) There is no enrollment, switching or early termination fee.
-) This is a firm fixed all-inclusive rate.

(-more-)

Residents and small businesses in the City of Rockford and City of Loves Park have three options:

- Continue with or join the Community Program.
- Opt out and/or stay on ComEd as the energy provider. (The ComEd rate starting in October through next June will be \$.07191 according to the latest rate tariff).
- Select a third-party supplier at resident's own discretion.

Questions regarding the program may be directed to 779-348-7300 for the City of Rockford and 815-654-5033 for the City of Loves Park. Questions may also be addressed to Rock River Energy Services at 815-732-4603.
