Narrative

The Rockford fire department was called to a home on Broadway for a possible garage fire. The first unit was on scene in 4 minutes and found smoke coming from the garage. They deployed an initial attack line and went into garage to find an automobile inside the garage on fire. The fire was quickly extinguish but not before the garage received heavy smoke damage. The garage was attached to the home and the house had some light smoke damage. There were no injuries and the occupants were at home when the fire started. The occupants were able to stay at the home after fire department used ventilation fans to clear out the house.
