Narrative

Rockford Fire Department dispatched for residential structure fire. First arriving engine company reporting fully involved house fire with two exposures on fire. Attack hand lines used to extinguish exposures and then large volume nozzle used to extinguish the main body of fire. Additional companies provided water supply, back-up lines, searching of adjacent houses, and aerial master stream operations. The home was vacant, a total loss and will be demolished by a contracting company. The cause is suspicious and under investigation and there were no injuries.
