Diver(s): \_\_\_\_\_

Other(s): \_\_\_\_\_

Total Firefighters: 28

Response Time: 6 mins

## Narrative

The Rockford Fire Department responded to a call, from a motorist passing by, that a house was on fire. On arrival units found fire coming from a breezeway separating the house and the garages. Fire had extended into both the house and the garages as well as up the outside of the structure. 3 companies laid hose lines to extinguish fire in both structures. The building was searched and found to be vacant. Crews worked quickly to stop the fire from extending and got the fire under control. The fire is currently under investigation and the building department has taken control of the structures.
