AREA COOLING CENTERS AVAILABLE IN EXTREME HEAT

Rockford, IL – Community Action announces cooling centers will again be available for residents in Boone and Winnebago Counties, ensuring the most vulnerable of our residents are safe during the hot summer days. The centers offer air conditioned relief during periods of extreme heat or when an Excessive Heat Advisory or Warning is issued by the National Weather Service.

In addition, residents are encouraged to ensure their senior relatives, friends and neighbors, and others whose health may be affected by extreme heat, are safe during high temperature days. Churches and other organized groups are also encouraged to check-in on the well-being of their members.

For energy saving ideas during the summer months, go to www.energy.gov/energysaver/spring-and-summer-energy-saving-tips

Also, ComEd is offering their Residential Hardship program which can provide up to $500 on the electric bills of income eligible residents of Winnebago and Boone Counties who can prove a hardship in paying their bill. Call Community Action at 844-710-6919 for information or go to www.rockfordil.gov/city-departments/human-services/community-services

The list of participating cooling sites is attached.
