FREE SUMMER MEALS FOR KIDS AND TEENS

The Community Action Agency of Winnebago and Boone Counties is pleased to announce that the Summer Food Service Program will be back again this year, helping to keep our area kids healthy and nourished so they can return to school in the fall ready to learn.

Kids and teens 18 years old and under can get free meals at supervised sites such as parks, churches, playgrounds, and community centers throughout Winnebago and Boone Counties. Depending on the site, a lunch, dinner, or snack will be provided. Meals consist of fruits, vegetables, grains, protein, and milk. Some sites also provide activities such as arts and crafts, outdoor activities, board games, reading time, and more.

Unfortunately, only 4 in 10 of the eligible kids in our community who rely on school meals actually participate in the Summer Food Service Program. Please spread the word to help us power up our kids for a happy and healthy summer!

To find a site in Illinois, families can text "FoodIL" to 877877 or they can visit SummermealsIllinois.org or call 1-800-359-2163. Parents can also check the Summer Food Site list below to identify a neighborhood site where food is available to their children. Site lists are available at <https://rockfordil.gov/city-departments/human-services/community-services/>

The Federal Summer Food Service Program is funded through the United States Department of Agriculture (USDA) and administered by the Illinois State Board of Education. The meals are provided by Lifescape Community Services of Rockford.
