STREET DIVISION MAINTENANCE UPDATE

STREET SWEEPING

Rockford, IL- The fall arterial sweeping cycle began Tuesday, September 4, 2018, and was completed by September 14, 2018. The fall residential sweeping cycle commenced on Monday, September 17, 2018.

Areas to be swept the week beginning October 15, 2018 are as follows:

- Kilburn Ave. east to the River - W. State St. north to Auburn St.
- City Limits east to the River - City Limits north to Cunningham Rd.

Each Thursday throughout the sweeping season, weekly updates will be provided to highlight the areas of the city in which street sweepers will be working. Maps will also be included to provide a visual of areas completed, not completed, and those in progress.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed below the posted speed limit.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.

For questions regarding this project, please contact Harry Noble, Street Maintenance Supervisor, at (779)348-7619.

###

Residential Street Sweeping

Fall 2018 Cycle Overview

Blue numbers indicate the order in which the sections will be swept.

To Do
52%

Complete
48%

WATER DIVISION MAINTENANCE UPDATE

HYDRANT FLUSHING PROJECT UPDATE:

WEEK OF OCTOBER 7, 2018

Rockford, IL- The following is an update of the current City of Rockford Unidirectional Flushing Program for the 2018 flushing season.

UNIDIRECTIONAL FLUSHING PROGRAM:

Water Superintendent: Kyle Saunders	(779)348-7371
Assistant Superintendent: Mike Norris	(779)348-7359
Operations Supervisor: Devin Johnson	(779)348-7362

Unidirectional Flushing Boundaries:

North – Morgan Street

South – City Limits

East – Rock River

West – Springfield Avenue

Project Update:

The Public Works Department releases the following information on the flushing operation from October 7, 2018 to October 13, 2018:

Residential Streets Flushed:

Bluffside Drive	Chesterfield Avenue	Research Parkway
Airport Drive	42nd Avenue	Milford Avenue
Falcon Road	Logistics Parkway	Blackhawk Road

Projected Flushing Locations:

During the week of October 14, 2018 to October 20, 2018, the following streets are scheduled to be flushed:

Loomis Street
Clifton Avenue
Rose Avenue

Holland Street
Indiana Avenue
Victoria Avenue

Harding Street
Regina Lane
Sanford Street

WATER QUALITY CONTACTS:

Water Quality Section:

(779)348-7151

If discolored water occurs, it is not a health hazard. During flushing procedures, iron (red water) and manganese (black water) may become stirred up within the water main; this may create staining on porcelain and laundry. This work may result in the disturbance of sediment, possibly containing lead. It is advised that customers flush water lines for one to two minutes once work is completed in the area, including removing and cleaning faucet aerator screens to remove sediment. For this reason, it is vital that the public be aware of the time and area that will be affected. For questions in regard to water quality, please contact Water Quality Section listed above.

For a detailed map of hydrant flushing locations and when staff will be working in specific neighborhoods, please visit the City's web site at: <http://rockfordil.gov/public-works/water-division/hydrant-flushing>.

ENGINEERING DIVISION MAINTENANCE UPDATE

PAVEMENT STRIPING

Rockford, IL- Beginning the week of October 8, 2018 through October 15, 2018, city-wide pavement striping for lane lines will be performed on the following roadways:

20th Street/S Rockford Avenue from Lookout Drive to E State Street
Cedar Street from S Avon Street to S Church Street
6th Avenue from 6th Street to 7th Street
Cunningham Street from south S Main Street to Cunningham Road
Corbin Street from Cunningham Street to Morgan Street
Elm Street from Waldo Street to S Avon Street
Elm Street from S Central Avenue to S Horace Avenue
S Horace Avenue from W State Street to Cunningham Road
Preston Street from S Avon Street to S Springfield Avenue
Winnebago Street from Montague Street to north of Whitman Street
Avon Street from Mulberry Street to Curve Street
Curve Street from S Avon Street to Cunningham Road
S Main Street from Chestnut Street to Clifton Avenue
Central Ave from Preston Street to just north of Auburn Street (just south of bridge)
W State Street from Springfield Avenue to Chestnut Street
N Alpine Road from E Riverside Boulevard to Spring Creek Road
S Alpine Road from Newburg Road to Harrison Avenue
Harrison Avenue from Kishwaukee Street to 11th Street
Kishwaukee Street from Walnut Street to Harrison Avenue
3rd Street from Walnut Street to 2nd Street
Park Avenue from Wyman Street to N Main Street
N Main Street from turn lanes for Eddy Avenue to turn lanes for Eddy Avenue
Church Street from John Street to Cedar Street
Cedar Street from S Church Street to S Main Street

Safford Road from Meridian Road to Page Park School
Prairie Road from Harrison Avenue to S Main Street
Daisyfield Road from Cunningham Road to Ingersoll Park

The operation is dependent on existing weather conditions and is subject to change, accordingly.

City-wide pavement striping for lane lines will continue during the months of May 2018 through October 2018.

Citizens are urged to approach striping crews at a reduced speed below the posted speed limit. Proceed with caution while traveling into the lane adjacent to the pavement striper and maintain a safe distance. Changing lanes in close proximity to the pavement striping crew is not recommended. Recent changes in EPA Regulations have mandated that manufacturers to remove solvent based driers from striping paint, thus creating extended drying times. Your cooperation is appreciated.

For questions regarding this operation, please contact Jeremy Carter, Traffic Engineer, at (779)348-7656 or Mark Stockman, Director of Public Works, at (779)348-7633.

IDOT PROJECT LANE CLOSURES AND UPDATE
N MAIN STREET (IL 2) –
PIERCE AVENUE TO CAMPUS HILLS BOULEVARD

Rockford, IL- Starting the week of October 8, 2018, there was a change in the traffic pattern at the intersection of N Main Street and Riverside Boulevard. Traffic will continue to be down to one lane in each direction at the intersection to accommodate both the thru traffic and the turning traffic in all directions. This change is being done to complete the work of the remaining concrete pavement needed to be installed at the intersection. Concrete work on the north bound lanes of N. Main (IL 2) and the east bound lanes of Riverside Blvd should be completed in the next couple weeks. N. Main (IL 2) and Riverside Boulevard will continue to be down to one lane each direction to continue the reconstruction of the project.

Please be advised that using adjacent business and private property parking lots as a cut through detour is prohibited and may result in a traffic ticket. There will continue to be an increase in equipment and construction workers as work progresses throughout the construction season. We ask that all drivers slow down and take extra precautions when traveling through the work zone to protect construction workers, emergency responders, other motorists, as well as themselves. Please expect delays throughout the construction zone and consider alternate routes for the duration of the project. Completion for the project is scheduled for November 2018. **Please note that access to all businesses will remain open during the closures and through the entire construction limits of the project.**

The N Main Street Roadway Project consists of pavement removal, excavation, roadway re-alignment, PCC pavement (concrete), HMA pavement (blacktop), curb and gutter, landscaped median, multi-use path and sidewalk construction, water main replacement, storm sewer installation, landscaping, street lighting, traffic signal modernization and interconnection, pavement markings, erosion control, maintenance of traffic as well as all other necessary items to complete the improvements.

IDOT and the City will be coordinating with all applicable governmental agencies throughout the project.

For questions regarding this project, please contact Rick Rundblade, Project Manager, at (779)348-7642.

HARMON PARK DRAINAGE IMPROVEMENTS PHASE 9 & 10

Rockford, IL- Construction work will continue on the Harmon Park Drainage Improvement Project. The project is scheduled to be completed by Wednesday, October 31, 2018. The location of the project area is between West Gate Parkway to Nebraska Road as well as Nebraska Road to Louisiana Road/Colorado Avenue. The majority of the work will be completed within the blocks mentioned above. There will be reconstruction of Nebraska Road, Louisiana Road, and Colorado Avenue.

The scope of the project is to increase storage of stormwater to help reduce some of the drainage issues in this area. The roads mentioned above will be closed to through traffic during construction. Please consider using an alternate route for the duration of this project.

For questions regarding this project, please contact Rick Rundblade, Project Manager, at (779)348-7642.

CEDAR STREET PARKING LOT AND SIDEWALK PROJECT

Rockford, IL- Starting Monday, October 8, 2018, the south bound lane of S Main Street from Green Street to Cedar Street will be detoured. The detour will be in effect through the end of the work day on Friday, October 12, 2018. We apologize for any inconvenience this may cause.

This detour is necessary to complete the installation of new storm sewer, curb and gutter, as well as new pavement at the intersection of S Main Street and Cedar Street. This detour will be clearly posted for the designated route.

For questions regarding this project, please contact Rick Rundblade, Project Manager, at (779)348-7642.

**SPRING BROOK ROAD AND LYFORD ROAD INTERSECTION -
RECONSTRUCTION PROJECT**

Rockford, IL- Beginning Monday, July 23, 2018, construction crews began constructing a new intersection at Spring Brooke Road and Lyford Road. The intersection is closed to all drivers, with the exception of nearby residents. Drivers traveling near the intersection area are required to utilize Spring Creek Road and Shaw Road as alternative routes. It is anticipated that the work will be complete by the middle of October 2018.

This project is taking place in conjunction with the Mercy Health Hospital Project. New roadways are currently being constructed along the Mercy Health Hospital campus, which will serve as a corridor for private development in the area. Lyford Road is being extended north and will tie into the Riverside Boulevard and Paladin Parkway intersection.

Drivers are reminded to stay alert for workers when driving through the construction zone.

For questions regarding this project, please contact Austin Crull, Senior Project Manager, at (779)348-7610.

**MARKET STREET ROADWAY CLOSURE –
SIDEWALK RECONSTRUCTION PROJECT**

Rockford, IL- On Monday, September 17, 2018, construction crews began constructing new concrete sidewalk along Market Street. Two sections of Market Street will be closed while construction work is being performed. The first section of Market Street closure is from Water Street to Madison Street, and the second section of Market Street closure will be from Madison Street to 1st Street. Each closure will consist of one block.

Madison Street will still be open during this construction project. The road closures will be closed to all drivers except for nearby residents and businesses. Weather permitting, this project is anticipated to be complete by Friday, October 26, 2018.

Drivers are reminded to stay alert for workers when driving through the work zone.

For questions regarding this project, please contact Austin Crull, Senior Project Manager, at (779)348-7610.

HARRISON AVENUE RECONSTRUCTION PROJECT
(HARRISON AVENUE BETWEEN 9TH STREET
AND EAST OF 22ND STREET)
(11TH STREET BETWEEN WILLS AVENUE
AND SOUTH OF 23RD AVENUE)

Rockford, IL- The reconstruction project for the Harrison Avenue is now complete.

The City of Rockford appreciates your continued patience and cooperation during this project.

For questions regarding this project, please contact Marty Ruvolo, Senior Project Manager, at (779)348-7632.

15TH AVENUE BRIDGE EXPANSION JOINT REPAIRS

Rockford, IL- Joint repairs on the 15th Avenue Bridge began on Monday, October 1, 2018. Phase 1 of the repair will result in closing the middle traffic lanes. The outside lanes will be open to traffic.

All work is dependent on the proper weather conditions. Drivers should be aware of work zone speed limits and use caution when driving in the construction zone.

For questions regarding this project, please contact Marty Ruvolo, Senior Project Manager, at (779)348-7632.

CITY WIDE STREET REPAIRS GROUP NO. 1 – 2018 (RESIDENTIAL)
