2018 Seasonal City-Wide Yard Waste Pick-up Scheduled to End

ROCKFORD, Ill. –The final week of residential yard waste collection for the 2018 season will be Monday, December 3, through Thursday, December 6, 2018. Yard waste collection will not resume until the compost site re-opens in the spring of 2019.

Please be aware that yard waste will only be collected when placed in compostable paper bags or in garbage cans clearly marked with a large “X” and visible from the street. All compostable paper bags and cans should be in good shape and weigh less than 50 pounds. Loose branches and limbs should be bundled with string or twine (no wire) and placed out for collection, as long as the bundles do not exceed 4 feet in length and 2 feet in diameter.
