END SNOW OPERATION / SNOW EMERGENCY LIFTED

ROCKFORD –November 26, 2018 - The City of Rockford Public Works Department has completed its snow and ice operation for the night. We will return tomorrow morning to further clean up streets and salt during normal business hours. The Contractors continue to work in the Residential Routes into the night. Any streets needing additional attention will be addressed on an individual basis.

The City Wide Snow Emergency and the Odd/Even Parking is now canceled effective November 26, 2018 at 9:00 pm.

Citizens are urged to follow at a safe distance behind snowplows. This will prevent the salt that is being spread from hitting your vehicle and the added distance also allows a driver room to back up if needed.
