- To all it may concern. Traffic Dept. Pablo

I am writing in regard to the speeding traffic at the intersection of Grace and Bruner Street in Rkt'd. I called Tina Newberg 2 years ago and had no luck. It is an unmarked intersection. Traffic flies through at a high rate of speed, and no one acknowledges that it is unmarked. Sun April 9th at 10:15 p.m. a car flew down Grace and blew the stop sign at Grace and Ridge Ave. taking out 1802 Ridges cement steps. Got T-boned and almost went through the house. Could you please consider a stop sign at Grace and Bruner Str. or at least a yield sign?

Thank you.
Cindy
