Good Evening:

I am corresponding to request a review of parking on my street. Specifically, I reside at 4929 Hampshire Close, concerned with the ability of two way parking on Governor's Drive to Hampshire Close. This is a narrow roadway, not suitable for parking on the North and South sides of the roadway, particularly during Winter months.

I appreciate your consideration.

Sincerely,

Dyanna Rose Walker

This is a day that the Lord has made; let us rejoice and be glad in it.

Jeremy and Rob,

Including both of you to assist with this.

We received a call from Claudia Jones earlier today. Ms. Jones got in a car accident at Alliance and School this morning. She believes that a 4-way stop sign needs to be installed to prevent accidents. According to her, there have been many accidents at this intersection.

Secondly, she stated that a house on the corner is filled with vehicles and a large tree. This is obstructing her view to turn. She unfortunately did not have an address.

Her phone number is 779-200-5282.

Can you both help with this?

Kind regards,

Haley Galarza

Jeremy,

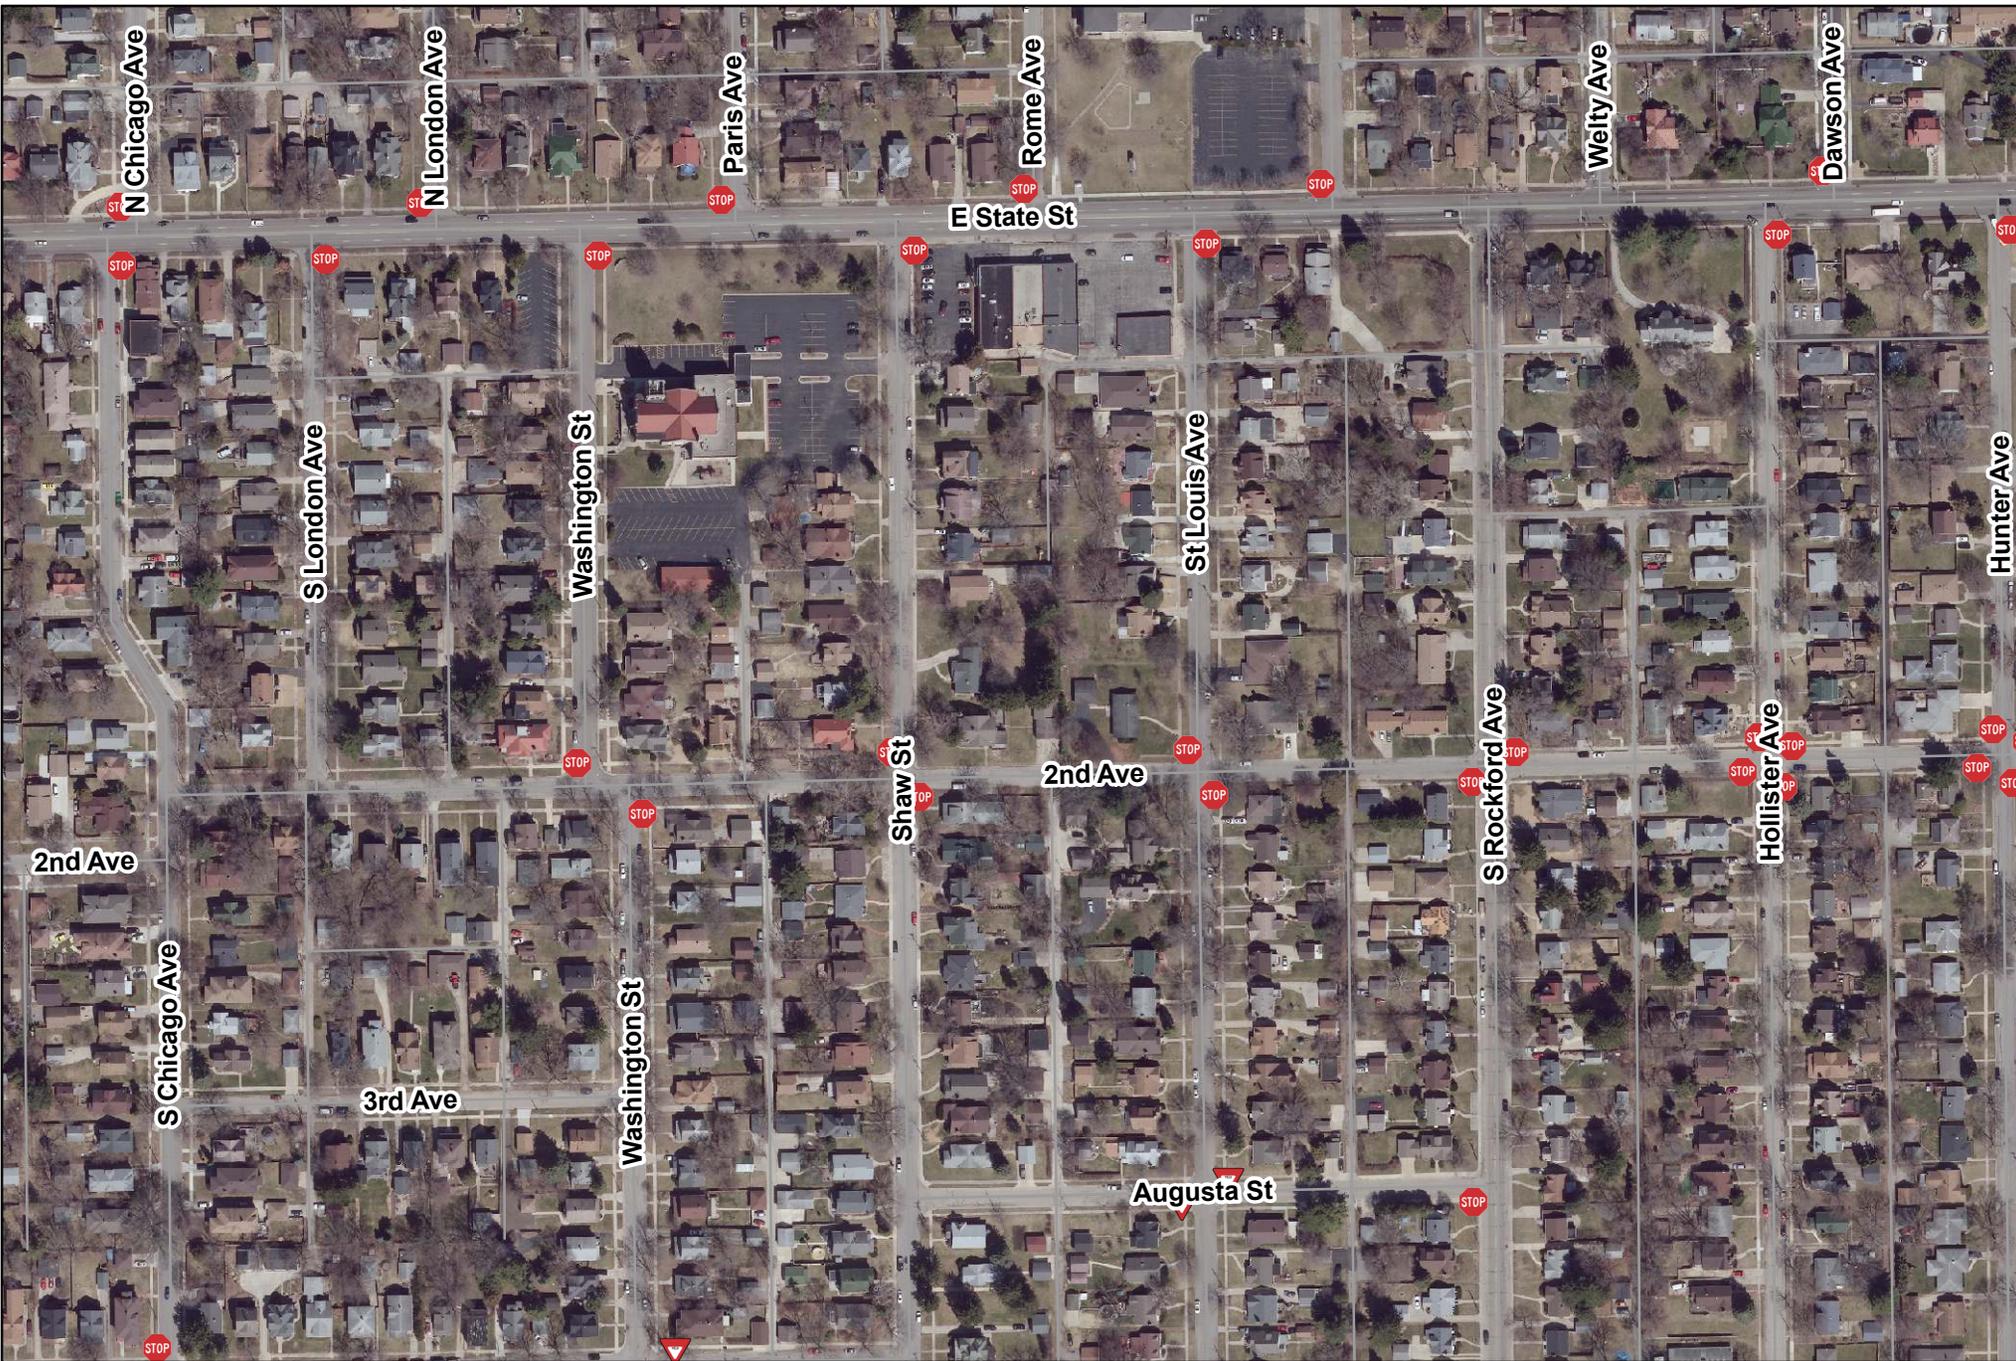

I have received a request for traffic control at the intersection of Shaw Street and 2<sup>nd</sup> Avenue. I will place it on the November Traffic Commission agenda.
