***STREET DIVISION MAINTENANCE UPDATE***

**STREET SWEEPING:**

**Street Supervisor: Giovanni Giacomazzo**

**779-348-7675**

**Asst. Street Superintendent: Harry Noble**

**779 348-7619**

**Rockford, IL** - The Street Division has completed the arterial street sweeping cycle, and contractor crews have shifted their focus on residential streets. Central Business District street sweeping will continue to be swept every other week throughout the summer.

During the week beginning May 4, 2020, the following residential areas are scheduled for sweeping:

- Kishwaukee St. east to 20th St. - Harrison Ave north to Broadway
- N. Alpine Rd. east to N. Mulford Rd. - Spring Creek Rd. north to E. Riverside Blvd

Each Thursday throughout the sweeping season, weekly updates will be provided to highlight the areas of the city in which street sweepers will be working. Maps will also be included to provide a visual of areas completed, not completed and those in progress.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.

**WATER DIVISION MAINTENANCE UPDATE**  
**HYDRANT FLUSHING PROJECT UPDATE**  
**THE WEEK OF MAY 3, 2020**

**Rockford, IL-** The following is an update of the current City of Rockford Unidirectional Flushing Program for the 2020 flushing season.

**UNIDIRECTIONAL FLUSHING PROGRAM:**

Water Superintendent: Jamie Rott (779) 348-7654  
Assistant Superintendent: Mike Norris (779) 348-7359  
Operations Supervisor: Devin Johnson (779) 348-7362

**UNIDIRECTIONAL FLUSHING BOUNDARIES:**

North – Guilford Road  
South – Newburg Road  
East – City Limits  
West – Alpine Road

**PROJECT UPDATE:**

The Public Works Department releases the following information on the flushing operation from 4/26/2020 to 5/2/2020:

**Residential Streets Flushed:**

Ponderisa Drive	Saxon Place	Welsh Road
Brookview Road	Roanoke Road	Williamsburg Road
Delcy Drive	Mohawk Road	Comanche Drive

**Projected Flushing Locations:**

During the week of 5/3/2020 to 5/9/2020, the following streets are scheduled to be flushed:

Brixham Road	Tulip Lane	Centennial Trail
Shiloh Road	Tivoli Court	Garrett Lane
Bienterra Trail	Featherstone Road	Sandra Lane

**WATER QUALITY CONTACTS:**

Water Quality Group:

(779) 348-7151

Customers are advised that they may experience discolored water during hydrant flushing. While not a health hazard, iron (red water) or manganese (black water) may become stirred up within the main while flushing which may create staining on porcelain and laundry. This may result in the disturbance of sediment, possibly containing lead. It is advised that you flush your water lines for one to two minutes once work is completed in your area, including removing and cleaning faucet aerator screens to remove sediment. For this reason, it is vital that the public be aware of the time and area that will be affected.

For a detailed map of hydrant flushing locations and when staff will be working in specific neighborhoods, please visit the City's web site at: <http://rockfordil.gov/public-works/water-division/hydrant-flushing>.

Water quality questions and concerns may be directed to the Water Quality Section at (779) 348-7151.

**PARK AVENUE AND WATER STREET WATER MAIN REPLACEMENT**

Rockford, IL - On **April 30, 2020** East State Street between Madison Street and Wyman Street will be closed to traffic so that water main installation may occur and will remain closed until May 15. A detour will be posted (see attached).

Water main installation has started on N Water Street at the Riverview Icehouse and will continue south to East State Street. Please note that access to businesses will be maintained. The project is anticipated to be completed late-May 2020.

**Businesses within the closure are open during construction. During these uncharted times, please call or check websites to verify hours of operation:**

Carlyle Brewing Co.

LimaMar Restaurant

Rockford Register Star

Taco Betty's

Title Underwriters Agency

Waterside Center

Waterside Financial Advisors

The Water Street and Park Avenue water main replacement project consists of replacing nearly 120 year old high-risk water main with new zinc-coated ductile iron water main, water services, hydrants and all associated appurtenances. All work is dependent on the proper weather conditions. Drivers are reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.

For questions regarding this project, please contact Jamie Rott, Water Superintendent, at (779) 348-7654.
