STREET DIVISION MAINTENANCE UPDATE

STREET SWEEPING:

Street Supervisor: Giovanni Giacomazzo

779-348-7675

Asst. Street Superintendent: Harry Noble

779 348-7619

Rockford, IL- The Street Division has completed the third round of Arterial sweeping, and is currently working on the Residential sweeping routes. The Central Business District will continue to be swept every other week throughout the summer.

During the week beginning October 5th, crews will be sweeping in these areas:

- Kishwaukee St. east to S. Alpine Rd. - Broadway north to Charles St.
- Memorial Ave. east to the River - Cunningham Rd. north to W. State St.
- Memorial Blvd. east to Kilburn Ave. - W. State St. north to Auburn St.

TREE MAINTENANCE:

Forestry Supervisor: Taylor Hennelly

779-348-7636

During the month of October, our forestry crews will be performing maintenance activities (high branch trim, low branch trim) in the following areas:

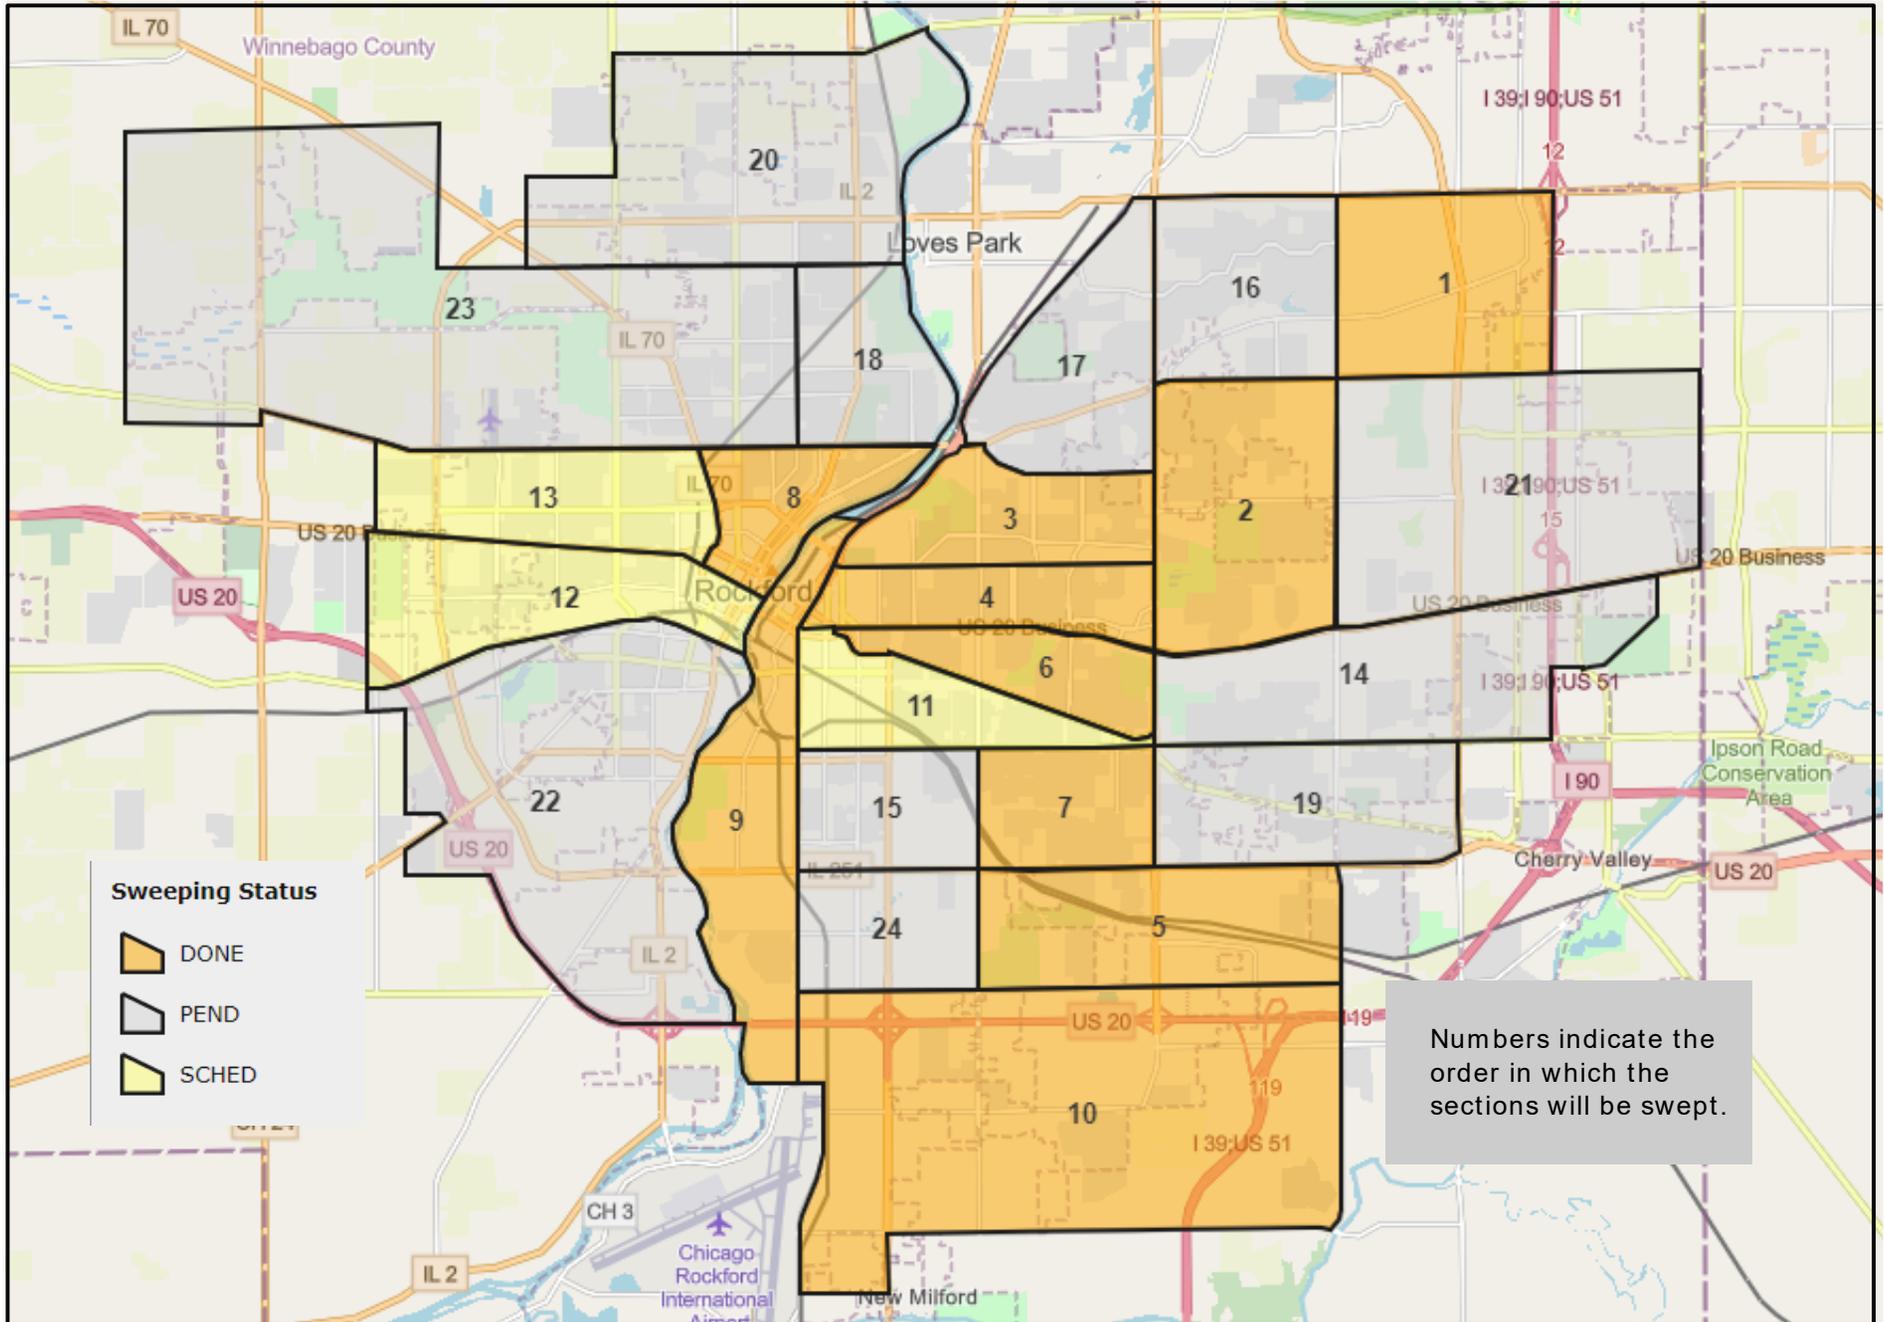

- Kishwaukee St. east to City Limits - City Limits north to Sandy Hollow Rd.
- City Limits east to the River - Halsted Rd. north to City Limits

Please remember, all Street Division operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.

Harlem Blvd

Lawn Place

N. Winnebago Street

North Avenue

Haskell Avenue

Garfield Avenue

School Street

Maple Street

Blaisdell Street

WATER QUALITY CONTACTS:

Water Quality Group:

(779) 348-7151

Customers are advised that they may experience discolored water during hydrant flushing. While not a health hazard, iron (red water) or manganese (black water) may become stirred up within the main while flushing which may create staining on porcelain and laundry. This may result in the disturbance of sediment, possibly containing lead. It is advised that you flush your water lines for one to two minutes once work is completed in your area, including removing and cleaning faucet aerator screens to remove sediment. For this reason, it is vital that the public be aware of the time and area that will be affected.

For a detailed map of hydrant flushing locations and when staff will be working in specific neighborhoods, please visit the City's web site at: <http://rockfordil.gov/public-works/water-division/hydrant-flushing>.

Water quality questions and concerns may be directed to the Water Quality Section at (779) 348-7151.

ENGINEERING DIVISION MAINTENANCE UPDATE

PAVEMENT STRIPING

ROCKFORD, IL – Effective August 13th, 2020

Beginning 8/17/2020 through 8/23/2020, city-wide pavement striping for lane lines will be performed on the following roadways:

Park Avenue from Wyman Street to North Main Street
Kishwaukee Street from Walnut Street to Harrison Avenue
Parkside Drive from Charles Street to Broadway
Eastmoreland Avenue from Broadway to Florida Drive
Larson Avenue from Alpine Street to 1 Block West
Shirley Street from Fairview Avenue to Hawthorne Avenue
31st Street from Broadway to 1 Block North
11th Street from Charles Street to Harrison Avenue
15th Avenue from South Main Street to 15th Street
15th Street from Broadway to 23rd Avenue
18th Avenue from Christina Avenue to 15th Street
18th Street from Charles Street to Broadway
7th Avenue from 20th Street to 1 Block West
20th/Rockford Street from Lookout Drive to East State Street
23rd Avenue from West of Kishwaukee St to 20th Street
5th Avenue/College Avenue/Morgan Street from Cunningham Road to 11th Street
7th Street from Charles Street to 23rd Avenue
9th Street from Harrison Avenue to Crosby Street
Arnold Avenue from South of Newburg Road to East State Street
Blackhawk Park Avenue from Christina Avenue to Kishwaukee Street
Broadway from Alpine Road to 20th Street
Charles Street from East State Street to Alpine Road
Christina Street from 15th Avenue to Blackhawk Park Avenue

Division Street from Seminary Street to 1st Street
Dempster Avenue from East State Street to East Lawn Drive
East Lawn Drive from Manhattan Drive to Chalet Drive
Chalet Court from East Lawn Drive to Alpine Park Drive
Alpine Park Drive from Chalet Court to Easton Parkway
Easton Parkway from Alpine Park Drive to Edgewood Hills Drive
Fairview Avenue from East State Street to Charles Street
Fincham Road from Perryville Road to Trainer Road
Harrison Avenue from Alpine Road to Mulford Road
Louisiana Road from Eastmoreland Road to Log Cabin Street
Madison Street from Y Boulevard to Grove Street
Phelps Drive from Newburg Road to North of E. State Street
Seminary Street from Harrison Avenue to Division Street
Wesleyan Avenue from 20th Street to Ohio Parkway
Cedar Street from Avon Street to Church Street
Newburg Road from Alpine Road to Mulford Road
Mid-America Drive from East State Street to Fincham Drive
Ohio Parkway from Harrison Avenue to Eastgate Parkway
29th Street from East State Street to Oak Grove Lane
24th Street from Charles Street to 9th Avenue
Hunter Avenue from Charles Street to Broadmoor Drive
2nd Avenue from 8th Street to Charles Street
6th Avenue from 6th Street to 7th Street
Woodruff Avenue from 11th Street to Broadway
Colorado Avenue from East Gate Parkway to Harrison Avenue

The operation is dependent on existing weather conditions and is subject to change accordingly. City-wide pavement striping for lane lines will continue during the months of May thru August.

Citizens are urged to approach striping crews at a reduced speed that is below posted speed limits. Proceed with caution traveling into the lane adjacent to the pavement striper and maintain a safe distance. Changing lanes in close proximity to the pavement striping crew is not recommended. Recent changes in EPA Regulations have mandated that manufacturers remove solvent-based driers from striping paint, thus creating extended drying times. Your cooperation is appreciated.

For questions regarding this project, please contact Jeremy Carter, Traffic Engineer, at (779) 348-7656 or Kyle Saunders, Director of Public Works, at (779) 348-7371.

STRATHMOOR DRIVE EXTENSION
(FROM MULFORD ROAD TO ROXBURY ROAD)

Rockford, IL- The Strathmoor Drive Extension is underway and continuing as scheduled. Strathmoor Drive between Mulford Road and the new Strathmoor Extension will be closed to through traffic. Strathmoor Drive will be open to local traffic, public bus and emergency services only.

New asphalt pavement along with storm sewer, curb and gutter, sidewalk, and street lighting will be constructed. This project is anticipated to be completed by the end of November 2020. All work is dependent on the proper weather conditions.

Drivers are encouraged to use the Roxbury entrances to access OSF Saint Anthony Medical Center. Drivers are reminded to drive slow and use caution when driving through work zones.

For questions regarding this project, please contact Ryan Lundberg, Project Manager, at (779) 348-7644.

CHARLES AND 10TH STREET INTERSECTION TRAFFIC SIGNAL
PROJECT

Rockford, IL- The lighting project at 10th Street and Charles Street is close to completion. Completion of the project should be completed within the next couple weeks. Traffic is still down to one lane both east bound and west bound of the intersection to accommodate the contractor with room to perform their remaining work. We ask that you please be aware of workers in the construction zone and proceed through with caution.

This project will consist of installing new traffic signals at the intersection and new curb and ADA sidewalk ramps will be installed as well. Total completion for the project is scheduled for October 30th.

For questions regarding this project, please contact Rick Rundblade, Senior Project Manager, at (779)348-7642.

9th STREET RECONSTRUCTION –
6TH AVE TO NORTH OF CHARLES STREET

Rockford, IL - The reconstruction of 9th Street continues moving forward as scheduled. The contractor will be working on putting in curb and gutter, sidewalks and driveway approaches within the next couple weeks. Please be aware of workers and equipment entering and exiting the site.

The project limits for 9th Street will be from 6th Avenue to East State Street. Improvements include the installation of larger diameter storm sewer to help alleviate drainage capacity issues, water main replacement, sidewalk replacement, and new concrete curb and gutter. The reconstruction will include the narrowing of the roadway to accommodate more accessible pedestrian facilities as well as on-street bicycle accommodations. Motorists are advised to use caution when traveling near the work zone. Total completion for the project is scheduled for October 30th.

For questions regarding this project, please contact Rick Rundblade, Senior Project Manager, at (779)348-7642.

East State Street Bridge Repairs over the Rock River

Rockford, IL - Bridge Repairs to the East State Bridge over the Rock River will begin on Monday September 21, 2020. Most of the work will be contained to the underside of the bridge until October 1, 2020. Then repairs will be concentrated to the top side of the bridge. During these repairs there will be one lane in each direction all times. Traffic Lanes will be shifting on a day to day basis. The Contractor will be complete with the repairs on or before October 30, 2020 weather permitting. Please use **caution** when driving in this area.

For questions regarding this project, please contact Marty Ruvolo, Senior Project Manager, at (779)348-7632.

City Wide Bridge Preservation Plan

Rockford, IL - The City Wide Bridge Preservation Plan consists of power washing and sealing all of the concrete areas of our existing bridges. The Contractor will begin the project on Monday September 28, 2020. The Contractor will begin on the Morgan Street Bridge over the Rock River. All of the river bridges will be completed first. During this process there will be temporary daily lane closures with at least one lane in each direction open. The Contractor will be complete with the repairs on or before October 16, 2020 weather permitting. Please use **caution** when driving in this area.

For questions regarding this project, please contact Marty Ruvolo, Senior Project Manager, at (779)348-7632.
